

Access to Fukuma Lab

◆For drivers

Heading toward Kanazawa University on Prefectural Road 27, you will see a Family Mart on your right, so turn right at that intersection (Kakuma Ohashizume).

When you see the direction board (Natural Science And Technology Hall I・2・3, Cancer Research Institute) on your right, turn right at the corner and left at the next.

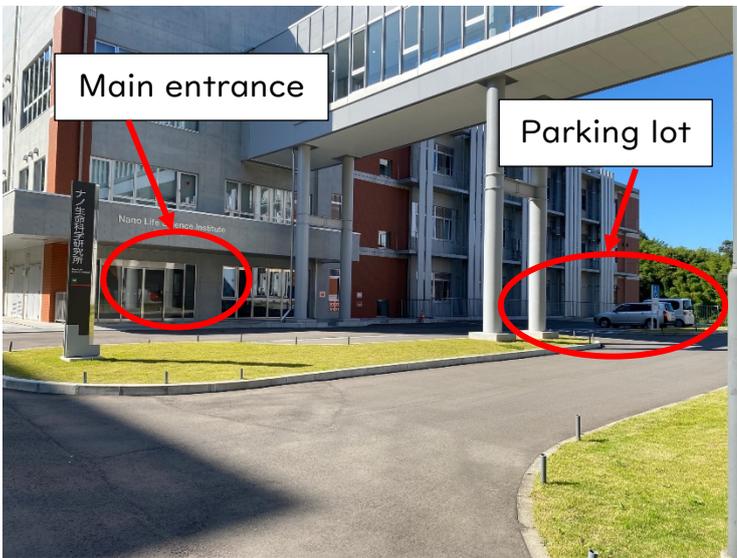

You will see the **【NanoLSI】** building on your left, so proceed along the building.

Turn left twice around the building.

You will see **【NanoLSI】** on your left. The parking lot in front of the building is for guests. Note that this main entrance is on the 2nd floor of the building.

After you enter the building, take the elevator on the right to the 1st floor.

On the 1st floor, head toward the door on the right.

Please wear slippers in front of the door and push the buzzer to talk to someone in the office.
